

CURAÇAO SUNFISH SAILING ASSOCIATION

Race calendar 2025

Note:

Curacao sailors - The CSSA will continue to inform you of upcoming local Sunfish Races. If you are not already on our e-mailing list, please let us know (Jurgen Schneider : tiki-mas@hotmail.com).

International sailors - With a few exceptions, our local Sunfish Races are usually informal but a lot of fun. The NOR's are posted a couple of weeks in advance. Weather conditions are perfect air and plenty of sun, even in January. We suggest that if you are interested in sailing in a particular regatta, you contact the CSSA's Race Officer, Jurgen Schneider (tiki-mas@hotmail.com) for latest information. Boat rental can be arranged, provided sufficient notice is given. If you are planning a vacation in Curacao, what could be better than combining it with a few days sailing.

International Events are indicated in **red**.
